

CROMHALL 100 CLUB – 2020

St Andrew's Church is a valuable historic building and has been a place of worship in Cromhall since at least the 13th century. Even if you do not worship there regularly, the church is there for you for special services.

Baptisms, Marriages and Funerals.

The yearly care and maintenance of St Andrew's Church and churchyard is very costly and so the 100 club was set up to raise funds to help with this. Thank you to those who have already bought numbers for next year.

£10 per number for a year.

Quarterly draws will take place in Cromhall Village Shop at 11am on the last working day of February, May, August and November.

1st - £30, 2nd - £20, 3rd - £10 plus £50 draws at Christmas and Easter,

If numbers requested exceed 100, the value of the draws will be increased.
