Volume 14 Issue 9

## Life is for living .....

Somewhere in the back of my mind I recall a comedian who would skip around saying "smell the flowers, hear the little birdies tweeting tra la tra la".....in a parody of children skipping around a garden or is my mind playing me false ?

This somehow came to mind when I was in Cornwall recently, as I watched the holiday makers..... few of the adults really looked as if they were relaxed or having a good time most looked rather grim and many had their noses stuck in their phones and were trudging along with multiple bags of purchases or huge beach bags containing who knows what. The children on the whole were more into skipping mode, but were then scooped up by harassed mothers convinced they were going to be abducted or mown down by a passing cyclist (this being a pedestrianized area) or worse, get dirty!

It made me wonder if children really enjoy seaside holidays these days. Some seem to need to be constantly 'doing' something or being entertained by various electronics devices, shopping or grazing. Then I looked further afield down on to the beach where the tide was receding and I was thrilled to see children with nets and buckets puddling about in the rock pools getting messy, smelly and WET! But the majority were being mini adults, wearing some definitely grown up slogans on their tee-shirts and just milling around.

Then this week I read that the head of OFSTED has suggested that we are wrapping our children in cotton wool so that they will be unable to deal with the knocks and bumps that they'll face when they become adults and I felt I was not alone with my negative thoughts while sitting in the glorious Cornish sun.

Perhaps it is time to call a stop to iPads and phones at meals, create times when families just talk, yes, and probably argue; encourage the kids to run wild now and again, climb trees, fall in rock pools, get muddy and most importantly LAUGH; make wonderful real memories for the future, not just another picture on your iphone..... be carefree if only for a week,

We crinklies all remember it never rained when we went on holiday, the sun always shone, the sea was lovely even if we were shivering and Dad loved building the best castle on the beach, though we were little involved in the construction, eating ham and sand sandwiches and at the end of a busy day pottering on the beach, fish and chips wrapped in newspaper .....  
....remember being a carefree child again, if only for a week, some of that joy might rub off and make the other fifty one weeks of the year more bearable.

Remember too that childhood is very short and seems to getting shorter all the time and just ENJOY smelling the flowers, being moved by rainbows or fantastic sunsets and most of all allowing children just to be curious wide eyed children..... you cannot relive your life, you only have today, so LIVE IT whether we are eight or eighty!!

#### Ride and Stride

#### Saturday 9<sup>th</sup> September 2017

As mentioned in the last 5 Alive, I thought I'd have another go at this fundraising event. One or two others have shown interest in joining me this year but if anyone out there would like to come as well, that would be great. Last year I cycled about 50 miles and I'd hope to do the same again. My sister can't come this year but hopefully it will be just as sociable. If 50 miles is too much, then just come along for part of it; I'll let you know the route when I've got round to planning it!

Oh, and if you just can't bear the thought of it then just follow the link to sponsor me!

[www.justgiving.com/Fen-Marshall1](http://www.justgiving.com/Fen-Marshall1)

50% of the money raised on the Justgiving page goes to the Historic Churches Trust. If you'd rather just give me money then that too would be very welcome; I'll make sure it gets into Church funds!

*Fen Marshall*

## Visiting

Visiting is part of the Church's Ministry. If you would like a visit from the church, please call the Benefice Office and we will do our best to arrange it.

If you are going into or in hospital... You can help to make sure that the church team can respond as you would like us to when you are ill.

It's important that if you are admitted to hospital, you do three things:-

1. Make sure someone tells one of the ministry team that you are going into hospital – ask them to pass on the message as appropriate.
2. Make it plain to the hospital staff whether (or not!) you would like a visit. This means that when someone rings up, they won't have to spend time saying 'hang on, 'I'll just ask him/her...'
3. Make it plain what sort of visit you would like: would you prefer a friend from the church or one of the visiting team or would you particularly like a clergy visit? If you want to be certain of a private, one to one chat, don't be afraid to ask the hospital staff if they will allow your minister to come outside normal visiting hours, so that they don't take up precious time and space from your family.

Thank you to Tytherington Baptist Church, Falfield Parish Council and Anony Mouse for their kind donations to our running costs.

Each 20-page edition costs £334 to print, so we are always grateful for donations as our funding depends on advertising and the generosity of our readers.

One of the ways of making regular donations is by standing order. If you would like to make a payment using this method please contact our Treasurer, Mr Geoff Crosthwaite

- by telephone on 01454 294140
- by email at: [geoffrey.crosthwaite@tesco.net](mailto:geoffrey.crosthwaite@tesco.net)
- or write to him at The Barn, Townwell, Cromhall, Wotton-Under-Edge, GL12 8AQ.

Cheques, payable to **Benefice Newsletter**, may also be sent to our treasurer, Geoff Crosthwaite, The Barn, Townwell, Cromhall, W-U-E, GL12 8AQ or the editor.

**Please remember to make cheques out to 'Benefice Newsletter'.**

## Learn & Explore

During the June and July sessions of Learn and Explore, we looked at the first seven chapters of Nehemiah. After the August break, Learn & Explore will resume on Thursday 14th September, when we shall 'finish off' Nehemiah.

This session will be held in the small hall at Falfield Village Hall, starting at 10.30am with coffee. We will have home-made soup and a roll afterwards (with a donation to charity). We aim to be finished by 12.30pm. Everyone is very welcome to join us; it would make it easier for catering if you would let us know beforehand if you would like to join us for lunch. Please ring 01454 260364.

*a portrait of Frederic Chopin  
in drama and music*  
written and performed by Michael Lunts

**Saturday September 9<sup>th</sup> 2017  
at 7.30pm in the Cossham Hall, Thornbury**

'Winter in Majorca' is both a play and a concert rolled into one. Professional actor and classical pianist Michael Lunts will re-visit Thornbury with another of his highly innovative one-man shows to portray composer Frederick Chopin as both man and musician in this atmospheric drama about Chopin's stay in a deserted monastery at Valldemosa on Majorca with his lover, the novelist and femme fatale, George Sand.

Incorporated into the action are live performances of some of the beautiful and haunting pieces Chopin composed there.

This extra special event is to raise funds for the Armstrong Hall Redevelopment Project (Phase 1).

**Tickets: £13 (to include interval nibbles) can be obtained from Thornbury Town Hall or by 'phoning 01454 412272.**

## Tytherington WI

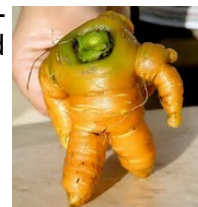

At our July meeting – Members' Night – we visited 'Organic Blooms' at Latteridge, where we enjoyed a pleasant evening

learning about the work which goes on behind this cut flower farm. They achieved Soil Association Certification earlier this year and grow a wide range of flowers both in greenhouses and in the open.

Since our meeting last month, some members have taken advantage of AFWI events at the Federation Lunch at Bristol Golf Club and to Stratford-on-Avon and its Theatre, both of which were most enjoyable.

Our next WI meeting will be on Monday 18th September, when there will be a talk by Dr Francis Burroughs entitled 'A Victorian Head Gardener', and the competition will be for a funny shaped vegetable.

## A huge “Thank you” from Tom Child’s family

To friends, friends of friends and of course family, thank you! So many people have contributed; I publicly wanted to say it.

Since Tom died in January this year we have been able to give to Teenage Cancer Trust (TCT) over £ 20,000. This figure continues to rise with more people coming up with fun and challenging events.

Here’s a quick rundown of our fundraising through the months:

- A party in April to coincide with the Grand National race, provided enjoyment as we enjoyed races on the lawn on a fantastically sunny day and gambling in a good cause netting a sizeable donation.
- Tea and cakes and soup were consumed to support the cause at Rockhampton Cricket club in on Easter Monday.
- In May the Bristol 10K was run, under the team name “Jog On”, by mum, sister, auntie cousins and friends. I think we all enjoyed it more than we expected to!
- June saw three local businesses support TCT at their stand at new Berkeley Show; thanks go to Geoff Tuck, Rob Harber and Neil James.
- On the last day of June, the Three Peaks (Ben Nevis, Scafell and Snowdon) were scaled in under 24 hours by Tom’s brother Matt and friends, Andy & Ryan. Don’t think they saw much of a view at the top of any peak!
- A fantastic garden party in July with Strawberry Teas and superb entertainment despite dreadful weather conditions was put on by Chris & Ian Walker. Thank you.
- A team of 4 cycled over 300 miles from London to Paris over 4 days in the middle of July. The team, named TJC14, included Dad and 3 other “MAMIL”s, friends from Yate Hockey club! The team trained hard, so actually coped very well with the distances and some tough weather.

### Community involvement

Money has also been donated from events not directly linked to our fundraising. We would like very much like to thank the Hill Village fun run organisers and Hill Village Hall Cream Teas for generous donations. We are also very grateful for money raised at Rockhampton’s FolkFest teas going towards TCT funds and also profit from the village calendar.

August now gives us time to reflect on how much has been achieved. Energy put into all these events will have positive impact for other young adults facing cancer and has personally helped our family making something good come from our loss.

<https://www.teenagecancertrust.org/about-us/how-we-raise-and-spend-money>

One last mention of a forthcoming fundraising challenge is for Chris Child (Tom’s cousin) attempting his first Iron Man event. He will swim 2.4 miles in the sea, then jump on his bike and cycle 112 miles to then complete the day by running a marathon!! This is some effort! Look out for him training around the lanes and doing laps at Cromhall Quarry.

Just in case you would like to add to the total in memory of Tom, here is a link to donate. Donations can also be given in at Green Farm Rockhampton.

Again ....Thank you ! *Liz Child*

*We Grew Up in Falfield*  
by Ann Riddiford

Unbelievably, it is now ten years since I completed 'We Grew Up In Falfield' which raised urgent funds to save St George's church from closure.

The book was in two parts: the first taking a trip through the various areas and hamlet of the parish, giving interesting facts about the locations, whilst the second was comprised mainly of interviews with people who resided (or once resided) at those locations. Many of the stories made entertaining reading and a thread of humour ran through the book in an effort to prove that history doesn't have to be boring!

Over the past decade I have received a number of favourable comments, often from unexpected sources. Thornbury Library continues to have at least one copy for loan and within the past few weeks I have had enquiries as to whether the book is still available. Some of the enquiries have come from people newly moved into the village, which is encouraging. My response to such requests has been to try the library or the charity shops.

However, if there is sufficient interest, further copies could be made available. If anyone is interested, perhaps they could let me know: Mrs Ann Riddiford, 22 Castle Street, Thornbury BS35 1HB Tel. 01454 418838 or via 5 Alive editor, Kay Rea.

**Thornbury Volunteer Centre**

With autumn upon us and winter around the corner you may be dreading the return of long, dark evenings and cold, miserable days. If you are looking for something to occupy your time and keep you in touch we may be able to help. Thornbury Volunteer Centre helps people find something worthwhile to do in their local community whilst having fun and making friends. We have volunteering opportunities which cater for every age, gender, disability, skill level and time available. We have opportunities for those interested in volunteering with all age groups and opportunities in conservation, fundraising, driving, befriending, administration, IT, craft activities and much more. The majority of these opportunities require no specific experience; just a willingness to help others is often enough. Any amount of time that you are able to spare would help, once a week or month or maybe just a few hours as a one-off can make all the difference.

If your group or organisation needs volunteers we can publicise these opportunities in the local press, local parish magazines, e-bulletins and websites and, if requested, via Do-it the National Volunteering Database.

For more information please contact Thornbury Volunteer Centre at The Town Hall, 35, High Street, Thornbury between 10.30am-12 noon Monday-Friday. ## Falfield Action Group Update

### Heneage Farm – Appeal Submitted!

As expected, Cotswold Homes have lodged an appeal against the refusal of their planning application at Heneage Farm.

The Planning Inspectorate has confirmed the appeal will be heard by an inquiry, as requested by the applicant. The inquiry will have a bespoke time line, so only dates for submissions are currently known:

- **Deadline for Comments from interested parties: 20th September 2017**
- Submission of Statement of Case - Local Planning Authority (LPA): 20th September 2017
- Statement of Common Ground (LPA & Developer): No later than Inquiry Date minus 4 weeks

If you raised an objection to the original application, you should have received details from SGC and have the opportunity to add any further comments to those you have already made.

If you haven't commented, you are also welcome to submit your views.

Full detail of how to comment are available on the Planning Inspectorate website: <https://acp.planninginspectorate.gov.uk>

The Planning Inspectorate's appeal reference is **APP/P0119/W/17/3180086**

The Planning Inspectorate's guide to taking part in appeals by inquiry can be found at: <https://www.gov.uk/government/publications/planning-appeals-dealt-with-by-an-inquiry-taking-part>

Although the appeal is detailed on the South Glos Planning Portal Planning Portal search page (click appeals - ref 17/00040/REFUS), the correspondence to and submitted by South Glos in respect of the appeal are (at the time of writing), only available in the documents section of the page for the original application (Ref PT16/0770/O). To date they have only uploaded their initial correspondence with the Planning Inspectorate and their completed questionnaire and related documents (including all comments received for the original application) which they submitted on 16th August.

'Rule 6' interested parties can elect to be more directly involved with the appeals process. It is unusual for individuals to be granted 'Rule 6 statuses', however community groups can be. The Action Group is therefore in the process of deciding whether to progress down this route.

If you would like to get involved or help in any capacity, please contact Sue Hicks - **Email: [falfieldactiongroup@gmail.com](mailto:falfieldactiongroup@gmail.com)**

## GLOSS FM puts the Local back into Radio!

GLOSS FM, the local station for Thornbury and District is back. The first Saturday breakfast show was triple-headed by seasoned broadcaster Chris Criddle, David Wrench and Glyn Michael.

"I was a bit rusty after all these years, but hopefully listeners did not notice the mistakes too much" said Glyn. This first show introduced some of the new regular features on the station, such as the Thornbury Gazette local news headlines, presented by our very own Aaron Sims.

This milestone marks the completion of Phase 1 of the project to bring local radio back to Thornbury and District. The Phase 2 ambition is to secure permanent premises to operate from. "We're hoping a local business or land-owner can offer us a space from where we can host a small local radio station" explained Glyn, continuing "This would allow us to build an even better operation and make us much more accessible to the local community".

Immediate plans are in place to introduce a regular "What's On" guide and to secure some more advertising deals to promote local businesses.

It is hoped eventually that the station will secure a permanent FM frequency in a subsequent Phase 3 of the project. The station has been working with the Government regulator Ofcom to find a suitable frequency, and recently local MP Luke Hall has got involved with discussions.

GLOSS FM is available 24 hours a day, 7 days a week at [www.GLOSSFM.co.uk](http://www.GLOSSFM.co.uk) This website also has full details of the station including schedule, presenters, travel and events.

## A report from South Glos Councillor, John O'Neill

A roundup up of relevant items in South Gloucestershire and the Five Alive area at this time:

- the Council Savings Programme continues to make efficiencies, some of which have more of an impact than others
- the plans to sell the Civic Centre at Kingswood were changed with all office staff now transferred to Badminton Road offices, the Council will retain the Council Chamber and meeting rooms at Kingswood with the ground and first floors being leased to Sirona Health Care and the Avon and Wiltshire Mental Health Partnership
- the One Stop Shop in Thornbury library has now closed, this was the least used of the one stop shops and additional computer terminals have been placed in the library to assist those wishing to complete forms online.
- Residents will be getting used to the new waste strategy with recyclable items collected weekly, the second part of the strategy will be introduced later in the year, probably November with the new reduced size black bin for residual waste.

The Cotswold Homes application at Moorslade Lane, Falfield for 115 homes and 100 space car parking site that was refused by the Development Control committee earlier in the year has now gone to appeal. The appeal will be decided by means of a public inquiry, it normally takes around six months for the appeal to be heard, those with an interest or who wish to comment can make submissions to the Planning Inspectorate in advance.

It is anticipated that the Joint Spatial Plan will be released in draft form in September, residents will recall that this is the West of England plan that proposed a 2,200 home garden village at Buckover and a further 1,000 homes at Charfield. The impact on the road network in the area will be colossal if these proposals go ahead, with junction 14 of the M5 already struggling with capacity issues it is clear that significant investment in our highway infrastructure would be required to accommodate this growth. The draft JSP will be followed by a further consultation before an examination in public by the Planning Inspectorate.

Further investment in superfast and ultrafast broadband with £2m from Broadband Delivery UK and £1m from the West of England Local Enterprise Partnership has seen contracts signed with BT in July that will bring higher broadband speeds to a further 4300 homes and businesses by the end of 2018, areas set to benefit are Cromhall, Falfield and Tortworth.

### Falfield WI

As I write this, members are cooking, creating and sewing for the Thornbury Horticultural show entries. It is a friendly community show and we enjoy entering for it.

Our picnic in June saw a very wet and windy evening and we all squeezed into our hostess's large conservatory to enjoy a social evening with the 'Standing Stones' saxophone group playing for us. Some of us managed a tour of the lovely garden in between the showers.

July's meeting included a fun time making paper flowers with Emily Davis. It is amazing how so many crafters can make such a hugely diverse range of flowers using basically the same materials.

Members were advised that the competition at the November meeting will be a Christmas card, and these will then be used for the Christmas delivery to older folk around the village.

We hope that everyone has had a lovely summer holiday despite the weather and we look forward to seeing members for the September meeting which includes a talk from Paul Heyden on 'Working with Wood'.

## Falfield Parish Council Report

### Consultations

The Parish Council understands that the next consultation period for the West of England Strategy: Towards the Emerging Spatial Strategy which was due this summer has been delayed and is now expected to take place later this year. However the South Gloucestershire Strategic Planning Team have arranged a number of community events to consult on the new Local Plan (2018-2036) and the emerging West of England Strategy, which identifies the 5 new strategic development locations within South Gloucestershire. One such event concentrating of the Buckover Garden Village Concept will be held in Falfield Village Hall on Friday 6th October 2017 between 2pm and 8pm.

### Planning

Land at Heneage Farm, Moorslade Lane - 115 dwellings plus a Park & Share. As many will know this application was refused by South Gloucestershire Development Control (West) Committee in February this year. The appellant has now lodged an appeal with the Planning Inspectorate over this decision and a Public Inquiry will take place early in 2018. **Anyone wishing to make any comments must do so before 20th September 2017.** Details of the appeal lodged along with how to make comments can be found on the Planning Inspectorate website at: <https://acp.planninginspectorate.gov.uk/> entering Case No 3180086 in the search box.

### Street Lighting

With the winter nights now fast approaching parishioners are reminded that they can report on line issues concerning street lighting as well as damage to road surfaces or potholes directly to South Gloucestershire Council at <http://www.southglos.gov.uk/general-information/online-services/report/>

The next meeting of the Parish Council will take place on **Tuesday 19th September at 7.30pm** in Falfield Village Hall.
