Dear Sir/Madam

BRISTOL ROAD, IRON ACTON
MAJOR MAINTENANCE WORKS 2 – 10 OCTOBER 2018

I am writing to advise you about essential roadworks that are to be carried out at the B4058 Bristol Road, Iron Acton. (See attached plan of site.) From the 2 October 2018, the road will be subject to major resurfacing works.

The works will involve the planing off of the existing surface of the carriageway and the laying of a new surface. The work will start at 8.00pm and remain in place until approximately 6.00am. **These works will create a significant amount of noise.**

For the duration of the works, the road will be closed and all traffic will be diverted around the area whilst the closures are in place. Access to properties and amenities fronting the site and whose only access is from the closed road, will be available at all times and every effort will be made to keep the disruption to local residents to a minimum. Please note that adverse weather conditions or plant / delivery problems may affect these times and dates.

Although alternative routes will be signposted whilst the works are in progress, it is possible that delays may occur on the surrounding network. Please watch the local press for any further news, but you are advised to avoid the area if possible for the duration of the works. South Gloucestershire Council apologises for any inconvenience caused by these essential works.

In the meantime, if you have any queries please do not hesitate to contact Jo Perry on the above telephone number.

Yours faithfully

Joanne Perry
Engineer (Highway Maintenance)
