**Sources of income** –1. parental contributions  
2. money for feeding programme, text books and teacher bonuses from CLinC.

**Monthly allowances paid to teachers** : between £30 and £45 from parental contributions but less if money is short.

**Feeding programme**

CLinC sends £170 per month for the feeding programme during term time to provide a hot, nutritious meal for all children on Fridays. This includes nshima (maize porridge), tuna chunks or small reconstituted fish, cabbage, onions and tomatoes.

### **Grants from other sources**

Last term, St Anne's received a donation of exercise books, pencils and rulers from the Department of Education.

A 'well-wisher' donated £150 to enable St Anne's to connect to the electricity supply.

### **Text books**

There is great shortage of text books, one book often shared between five children.

**Teacher and children sharing one book between them.**

**Grade 7 pupils** – There are 24 grade 7 pupils this year, all hoping to transfer to government schools in Jan 2016.

### **School plans for future –**

To run adult education classes to be held in evenings for local people and to cover the cost of electricity.

To acquire a laptop for school use.

To connect St Anne's to the water supply for hygiene purposes.

To provide tables and chairs for small children at St Mark's.
