4. The sale of jams, marmalade, fruit etc over the year brought in over £350!

7. Many one-off donations throughout the year made up the remainder.

Funds sent in January 2019

Term 1 allowances - £760 for St Mark's and St Anne's community schools to cover teachers' bonuses and the feeding programme.

Pupil sponsorship -£3,700

January is the beginning of the new school year in Zambia. This year all grade 7 pupils at both schools passed their exams at first selection! There are 38 of our pupils now starting their grade 8 studies in government run schools. The fees for 21 of these pupils will be paid by Zebra Trust. CLinC has sent funds to pay for the remainder.

A further 37 pupils have moved up into grade 9 this year and money for their school fees has been sent.

Teacher training - £500

Only 3 of our 10 teachers are trained sufficiently to get their teacher's licence. This year a further 4 teachers will start their training. Money for term 1 has been sent. The teachers' training takes place on Saturdays and in the school holidays, leaving them able to continue teaching throughout the week.
